

Social Sustainability & Our Ideas

Presentation to Erasmus+ 2021 Conference

11 February 2021

1. "Seniors and Juniors" Club

- Group of students, who share the same interests, uniting after school
- Divided into thematic areas
- Older students pass on their knowledge and experiences to the younger ones
- Forming new social connections and sharing the same passions

2. The School Parliament

- Students are given certain authority and remits
- Each class elects its ambassador
- 30 ambassadors - elected by success of their rate
- Opportunity of a student referendum
- Hierarchical structure of parliament

3. Social Care Club

- Club, which consists of volunteers
- Helping students, who experience some sort of physical or cognitive limitation
- Educating others and spreading information and awareness about disabilities

4. Volunteering

- Independent activity carried out for the benefit of others without the right to financial remuneration
- Students organize cleaning events
- School agency helping pensioners and the disabled
